

**A Reminder Regarding Participating Parishioner Status**

This note is a reminder to parents that in order to be eligible for the participating parishioner tuition rates for grades 1 to 8 at the MMR school for the school year 2010/2011, you must have fulfilled the minimum financial contribution requirement of \$780 (\$15 per week) during the period July 1, 2009 through June 30, 2010. This is true even though you have already registered or paid all or part of the tuition at the participating parishioner rate. If you are on track to meet the requirement as of the end of January 2010, which is 7 months into the annual period, you would have contributed at least \$455 to date.

**If you do not meet the contribution requirement by June 30, 2010, your tuition billing or FACTS payments will be changed to reflect non-participating rates (\$3,975 per child).**

Because tuition rates were not raised last year and only \$100 or less per child for the 2010/2011 school year, it is especially important to fulfill the contribution requirement. Please remember that participating parishioner tuition rates cover only part of each student's education and every elementary student is subsidized by the parishioners of MMR.
